

# 4T Motorcycle FS 10W40

Product Data Sheet | Art.no 4A12.04

## Description

A fully-synthetic motorcycle oil, based on high-quality synthetic oil. Specially developed for modern, very heavy-duty motorcycles. With this oil, slippage, sticking and difficulty in shifting the clutch plates are things of the past.

## Instructions for use

Check the oil level of your vehicle regularly. Never top up the oil to above the maximum fill indicator line on the dipstick. Use a type of oil as specified in the manual for your vehicle. The safety information sheet is available on request or can be downloaded from the website.

## Available in

1L

5L

20L

60L

208L

## Performance level

API SN

JASO MA

JASO MA2

## Typical standard analyses

Density at 15 °C, g/ml	0.876
Kinematic viscosity at 40 °C, mm <sup>2</sup> /s	91
Kinematic viscosity at 100 °C, mm <sup>2</sup> /s	14.1
Viscosity index	160
B.N. (HClO <sub>4</sub> method), mg KOH/g	6.6
Pour point, °C	-39
CCS viscosity at -25 °C, mPa.s	5600
Flash Point COC, °C	224
