

# Bio Foam Spray

Product Data Sheet | Art.no 26.008

## Description

Biodegradable, water-based strong foam-cleaner/degreaser. Removes all pollution of oil, grease, soot and carbon deposit. Forms a solid, stable layer of foam that stays well attached to vertical surfaces. This guarantees a longer period of contact and it enlarges the surface of contact, so that an effective cleaning results. The active working of the foam improves the cleaning effect. Penetrates fast, is non-corrosive and contains no dangerous matter. Can be used safely on synthetic material if rinsed after application. Applications: Universal cleaning of machines for parks and gardens, packing machines, conveyors, tools, barbecues, ovens and kitchens. Maintenance of buildings, walls, floors, also for catering industry. Suitable for hard surfaces as well as textiles.

## Available in

500ml

Date printed 14-09-2023
