

Dry PTFE Spray

Product Data Sheet | Art.no 26.013

Description

Universal dry lubricant intended for use on metal or polymer mechanical components that need to remain oil or grease free. Prevents wear and sticking, and has excellent moisture- and rust-repellent properties. It also prevents dust and dirt accumulation. Uses: Forklift truck fork carriages, telescopic loading crane masts, lawnmower deck wheels, spindles, door locks, zips, windscreen wipers, tow hooks, chair guide rails, oven hinges, window guide rails, etc.

Available in

400ml
