

Regular 30

Product Data Sheet | Art.no 24.199

Description

Available in

5L

20L

60L

208L

Typical standard analyses

Density at 15 °C, g/ml	0.883
Kinematic viscosity at 40 °C, mm ² /s	100
Kinematic viscosity at 100 °C, mm ² /s	11.2
Viscosity Index	97
Pour point, °C	-24
Flash Point COC, °C	252

Performance level

API SA

Date printed 14-09-2023

The information shown here is intended to give the reader an impression of the characteristics and possible applications of our products. Although this overview has been compiled with all due care on the date shown, the compiler accepts no liability for loss or damage resulting from omissions or errors in the overview, especially where these result from obvious typing errors. The supplier's terms and conditions of delivery are applicable to all deliveries of these products. Readers are advised to make a final choice in consultation with the supplier, especially for critical applications. An up-to-date safety information sheet for this product is available to download via our website. General Terms and Conditions: www.gvg.nl/terms
