Unispray

Product Data Sheet | Art.no 26.018

Description

Multi-purpose lubrication, protection and cleaning spray. Repels moisture, loosens rust and prevents corrosion. Can also be used on electrical contacts and plugs. Removes stubborn oil, grease, Tectyl and wax stains without any effort. Forms a protective coat to combat dirt and corrosion. Lubricates cables and small moving parts without staining. Easy to apply in every nook and cranny. Use a cloth to coat larger surface areas and form a protective gloss coating.

Available in

400ml

Date printed 14-09-2023
